Selection

The scholarship is awarded by the Myers Family on the recommendation of a Selection Committee appointed by the family.

In making their recommendation the Selection Committee will have regard not only to the academic ability of the applicants but also to other factors such as character, qualities of leadership, contribution to cultural and/or sporting activities, intention to bring back benefits from the scholarship to New Zealand, their ambassadorial qualities, and the referees' reports.

The scholarship will be awarded without restriction of gender, ethnic background, or creed.

The Selection Committee's decision is final, and no correspondence will be entered into following the selection meeting. If, in the opinion of the Selection Committee, no applicant of sufficient merit has applied for the award in any year, then the award will not be offered in that year.

The scholarship will not be awarded to anyone who has not attended an in-person interview with the Selection Committee, or who has not been successful in their application for admission to Cambridge.

Applicants must ensure that they meet any subject requirements and relevant admission test deadlines stipulated by Cambridge University for the course for which they are applying:
